

ALCHEMY

Victoria station:

On leaving the station, cross to Victoria Street. Continue straight on then turn left into Buckingham Gate. Turn right into Caxton Street and then left into Palmer Street. 21 Palmer Street is the round building on your right.

St James's Park station:

Follow the signs to the Victoria Street exit at the western end of the platform. Turn left out of the station and 21 Palmer Street is the round building immediately on your left.

Westminster station:

Take exit 4 and turn right into Bridge Street. Walk along Great George Street, past Parliament Square and then cross into Little George Street. Continue to Broad Sanctuary and bear right into Tothill Street. Continue straight ahead along Broadway and Petty France then turn left into Palmer Street. 21 Palmer Street is the round building on your left.
